

Companhia Paraibana de Gás - PBGÁS within the ambit of the CALL FOR PROPOSALS TO ACQUIRE NATURAL GAS, looking forward to the receipt of **COMMERCIAL PROPOSALS FOR THE SALE OF NATURAL GAS**, according to the conditions and specifications established in the **TERM OF REFERENCE** that is part of the public notice, complementary documents and relevant legislation, hereby announces:

- The deadline for submission of **INITIAL PROPOSALS** is maintained until 23h: 59m from January 31st, 2019.
- **BIDDERS** who may not have yet the definitive pricing conditions related to access to regasification terminals and / or transportation pipelines up to the delivery points defined in **item 7 - PRICES AND COMMERCIAL CONDITIONS**, of the **TERM OF REFERENCE**, may still forward their **INITIAL PROPOSALS**, stating any conditions that they deem necessary. It is already established that any contractual and commercial conditions related to access to the regasification terminals and / or to the transportation pipelines shall be adjusted later, without prejudice to the **INITIAL PROPOSALS**.
